

The Washington Area Amateur Radio Club cordially invites all radio amateurs and their families to our 2nd annual.....

[Picnic Table Portable Ops & Foxhunt Event!!!](#)

When: Saturday, September 22nd, 2007 9AM--setup begins

Rain Date: September 29th, 2007 9AM

Where: Marr Park, 2943 Hwy.92, Ainsworth, Iowa (See map, watch for signs in park!)

The purpose of this event is for setting up portable antennas, homebrew or otherwise, portable equipment on emergency power, testing, operating, and comparing equipment for its effectiveness, demonstrating different modes of Ham radio, sharing construction plans and ideas with others.

Are you into QRP?? Bring your Altoids and tuna can transmitters and receivers! Dig solar power?? Bring your solar panels and show others how to do it! Is ATV, APRS, or SSTV your bag? How about working the satellites? Mobile rover? Bring your gear and show others how its done! There`s also a rumor that the “Helium Balloon Vertical” will make an appearance again this year!

Come join us for a fun family event and have an eyeball with an old friend or make a new one!!

FOOD!! FOOD!! FOOD!! FOOD!! FOOD!!!!

- *12PM--Cookout/Potluck. Bring a dish or two to pass and table service. (Electricity on-site) Your favorite 2-liter of pop?
- *Other non-alcoholic drinks provided. No alcohol!! Please!!
- *Bring your favorite meat to cook on our grill!

Door prizes given away!!!!!!

Fox hunt in afternoon!!!!!! tentative.

Overnight camping, fishing, playground, and hiking trails!!!!

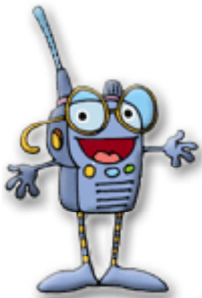

Bring your 2-Meter HT`s and DF`ing antennas!!

Don`t have any equipment??? We have extra you may use!!

Questions?? Comments??
